A white elephant gift exchange is a party game where amusing and impractical gifts are exchanged during festivities. The goal of a white elephant gift exchange is to entertain party-goers rather than to give or acquire a genuinely valuable or highly sought item. The term white elephant refers to an extravagant, impractical gift that cannot be easily disposed of.

### *Meet our New Board Member*

Brittany Lang

**"I'm Brittany Lang, a relatively new Utah state resident and faculty member in the Department of Neurology. I initially heard about Faculty Club through Shawn Steidinger at Women's Leadership Day. I have really enjoyed my more passive involvement thus far and was excited to hear that there might be room for me to take a more active role in this group! I very much look forward to meeting you all!"**
